EXECUTIVE SUMMARY

On February 28th, 2024, the Village of Winnetka opened joint-bids for a 3-year "Pavement Rejuvenation Contract". Corrective Asphalt Materials, LLC (CAM) was the only bidder and awarded the contract. Provisions of the joint contract state the awarded unit prices will be in effect for thirty-six (36) months from the time of award.

CAM has been applying Reclamite on our newly paved streets for several years. In working with CAM, we find them to be both professional and responsive. Their project experience with pavement treatments and sealers is more than satisfactory.

RECOMMENDATION

Staff recommends using CAM, LLC for the Village of Bartlett's 2024 Pavement Preservation Program.

Subject: 2024 Pavement Preservation Project
Date: June 24th, 2024

In an effort to extend the life of our asphalt pavements, we apply a product called Reclamite to our newly resurfaced streets and paths. Reclamite is a pavement rejuvenator that helps prevent and delay asphalt pavement failures.

On February 28th, 2024, the Village of Winnetka opened bids for their 3-year "Pavement Rejuvenation Contract", which was a joint bid including Winnetka and other Chicagoland communities. Corrective Asphalt Materials, LLC (CAM) was the only bidder and awarded the contract. Provisions of the contract state the awarded unit prices will be in effect for a minimum of thirty-six (36) months from the time of award.

CAM has been applying Reclamite on our newly paved streets for several years. In working with CAM, we find them to be both professional and responsive. Their project experience with pavement treatments and sealers is more than satisfactory.

RECOMMENDATION

Staff recommends that the contract for Pavement Preservation be renewed with CAM, LLC for the FY24/25 project in the not-to-exceed amount of \$150,000. Any remaining funds will be returned to the MFT account to be used at a later date.
