Dear Multifamily Property Landlord,

On behalf of mayors from the Northwest suburbs, we would like to invite you to participate in a workshop to learn more about resources available to promote the long-term sustainability of your multifamily rental property. As municipal leaders, we recognize that multifamily rental buildings are important community assets, and we are committed to working to ensure that rental properties continue to be stable and vibrant community assets for residents and the surrounding neighborhoods.

To learn more about available resources, we invite you to join the Metropolitan Mayors Caucus, Community Investment Corporation (CIC) and Chicagoland Apartment Association (CAA) on Wednesday, February 22nd, from 9:00am to 11:00am, at the Oakton Community College (1600 East Golf Road, Des Plaines – Rooms 1608 and 1610) for a discussion to learn more about resources and tools that can help you maintain safe, stable, high-quality rental properties.

Topics at the events will include:

- Resources to promote energy efficiency, affordability, and bottom line improvements to property operations; and
- Property management issues
- Ongoing opportunities to collaborate and pursue joint solutions to questions and concerns about rental housing in suburban communities.

In advance of the meeting, please RSVP [here](#). Thanks in advance for your interest and participation.

Sincerely,
