progress with pride

## Memorial Day at Bartlett Cemetery

For more than 25 years, Bartlett has been honoring its deceased veterans with a Memorial Day Walk and Remembrance. Please join in on Memorial Day, May 25, for this annual hometown commemoration.

The morning will begin at 10 a.m. at Bartlett Park, Oak and North Avenues, with an American Legion flag retirement ceremony. At 10:30 a.m. veterans, scouts, civic groups and bagpipers will begin lining up for the walk to Bartlett Cemetery, which steps off at 11 a.m. Everyone is invited to join the walk. At the cemetery, the Remembrance continues with a brief program honoring Bartlett's local heroes.

Groups interested in participating in the walk can call Paula Schumacher, 630-837-0800.

## Spring at Bartlett Hills

The newly updated and expanded Bartlett Hills Golf Club restaurant is now open daily for lunch. You can enjoy a variety of soups, salads and sandwiches from 11 a.m. to 3 p.m. Call in advance to have your lunch ready when you arrive. The entire menu is also available for takeout. Restaurant hours will be extended later in the spring to accommodate golfers and evening guests.

Bartlett Hills will offer a champagne brunch from 10 a.m. to 2 p.m. on Mother's Day, May 10. Brunch will include an omelette station, pancake station, classic breakfast items, prime rib, baked ham, roast turkey, seafood selections, and a fabulous fruit and sweet table. Reservations are required, so call early. Tax and service charge added to each check.

If you would like to host a wedding or other special occasion at Bartlett Hills, please call the food and beverage department at 630-213-3103.

Visit [www.bartletthills.com](http://www.bartletthills.com) to stay up-to-date on the start of the golf season and other activities at Bartlett Hills Golf Club, which has earned a 4 1/2 star rating as a "Top Public Course" from Chicagoland Golf.

# Strategic Plan 2015 - 2016

The Village of Bartlett Board of Trustees has voted to approve the updated Strategic Plan. The intent of the plan is to help focus more clearly on what is important for the future of the Village. The 2015-2016 Strategic Plan that follows includes five Key Strategic Goals along with objectives that help support those goals.

## **Facilitate Activities that Foster a Sense of Community**

- \*Continue to actively encourage development
- \*Continue to promote community identity, events, and resident involvement
- \*Maintain, market and enhance communication
- \*Facilitate intergovernmental relationships with other local taxing districts
- \*Continue efforts toward promoting and enhancing Bartlett schools

## **Attract and Retain a Diverse Business Population**

- \*Continue to develop the downtown
- \*Review all municipal policies, processes and regulations relative to the business community
- \*Continue to address the development of the Brewster Creek Business Park
- \*Continue to address business development of the Bluff City and Blue Heron business parks
- \*Advance the development of commercial areas at Rt. 59 and Lake Street and Rt. 59 and W. Bartlett Road site
- \*Define a marketing plan to attract residential and commercial investment in Bartlett

## **Maintain and Enhance the Appearance of the Community**

- \*Advance residential, industrial and commercial regulations via ordinance and policy reviews and implementation
- \*Promote an inviting outdoor environment
- \*Continue to provide for community land use planning

## **Continue to Provide High Quality, Responsive and Cost Effective Village Services**

- \*Develop an effective approach for more active involvement in promoting municipal authority and local control
- \*Focus on the development, motivation and recognition of the municipal staff
- \*Maintain a fiscally responsible government
- \*Continue to evaluate and implement the use of technology in providing services and municipal operations
- \*Encourage regional and local transportation availability
- \*Continue to provide and maintain infrastructure, facilities and services to focus on core municipal service areas
- \*Continue to address residential drainage and stormwater concerns
- \*Maintain a safe community
- \*Maintain emergency management efforts

## **Evaluate and Promote, Where Possible, Environmentally Friendly Development, Purchases, Awareness and Programs**

- \*Evaluate municipal purchases and practices for environment-friendly alternatives

# A Minute with the Mayor

The Village Board is currently in the process of reviewing and approving its proposed budget for fiscal year 2015-2016. In addition to being a financial planning tool for the Village Board and staff, the budget is an important communications document for Bartlett taxpayers.

Produced annually at this time, the municipal budget is a road map for how your tax dollars will be spent in the upcoming year, and the trustees and I are always working to make sure that road map is clearly marked. We continually review and improve policies that impact municipal spending. A recently approved ordinance that establishes guidelines and requirements for providing public funds to civic organizations is a good example.

The Village of Bartlett is fortunate to have numerous not-for-profit community organizations providing desirable services that benefit our residents. Historically, some of these organizations have requested and received tax dollars or public funds to help support their efforts. Since the Village must ensure it is at all times accountable for public funds, a process and application for funding request form have been developed. The new guidelines add structure to the distribution of these small grants and provide for greater transparency by documenting what services will be provided and more clearly communicating the benefits to the Bartlett community.

Groups, such as the Bartlett Fourth of July Committee, Bartlett Heritage Days and Arts in Bartlett, to name just a few, are wonderful organizations that enrich our community by providing

services, programs and public events that the Village does not provide. The intent of the new ordinance, which becomes effective June 1, is not to stop our support for these vital community groups, but to formalize the procedure for committing public funds to them.

You don't have to look any further than the civic groups page on the Village website, [www.village.bartlett.il.us/our-community/civic-organizations](http://www.village.bartlett.il.us/our-community/civic-organizations), or the Bartlett Briefs page in each issue of the Bartletter to see the names of some of these groups and how they serve and strengthen our Village. And we can support them not only with our dollars, but with our time.

Have you always enjoyed the Fourth of July celebration and parade in Bartlett? Volunteer with the Fourth of July Committee or join the Bartlett Lions Club. Attend the Bartlett Woman's Club Fashion Show and help this group's community scholarship fund. Attend an event at the Arts in Bartlett Center to show your support for the cultural arts and to ensure that Bartlett's annual summer Festival of the Arts continues to thrive.

A well thought-through municipal budget keeps Bartlett financially sound, but it's good community citizens that participate in and support our civic and not-for-profit groups that elevate the quality of life in the Village.

# POLICE BEAT

## D.A.R.E. Family Fishing Derby

The Bartlett Police Department is hosting its annual, free D.A.R.E. Family Fishing Derby on Saturday, 5/9 from 9 to 11 a.m. at Beaver Pond, located on Kingston Lane and Fairview Drive. Everyone is invited to this friendly catch-and-release fishing derby with members of the Bartlett Police Department.

Bait will be provided, but participants should bring their own fishing pole and supplies. Anyone 16 years old or older should have a fishing license as required by the Illinois Department of Natural Resources. There will be raffles and

prizes after the fishing. D.A.R.E. graduates are encouraged to wear their D.A.R.E. shirts at this fun-filled police-community event.

Please call the department's Crime Prevention Unit, 630-837-0846, for more information.

## Beware of Income Tax Telephone Scam

If you receive a phone call from someone claiming to be an IRS agent or from the U.S. Treasury Department telling you there is a problem with your tax return or that you owe back taxes, be wary because this is a common income tax scam. The Bartlett Police Department warns that these scam artists will often threaten to arrest you or demand immediate payment with a prepaid debit card, a prepaid Green Dot MoneyPak card, or a wire transfer such as Western Union.

Please be aware that the IRS will always contact you first by mail or by a personal visit from field agents. The IRS will never ask for credit card, debit card, or prepaid card information over the telephone.

## Did You Know?

...the **coyote breeding season** begins in February. Their dens are located in brush piles, under logs, in hollow trees and even abandoned structures. Litters of around six pups are born in April and both mother and father care for the young for 1 to 1 1/2 years depending on the

pup's gender. In spring, young males are kicked out of the pack and have to look for their own territories.

## Hydrant Flushing

It's time for Bartlett Public Works to flush all fire hydrants. This process removes iron deposits from the water mains and ensures that hydrants are working correctly.

The flushing may cause temporary water discoloration. Please check for discolored water before doing any laundry during the dates the hydrants in your area are being flushed.

### FLUSHING DATES

**April 13 through April 19: all areas south of Stearns Road**

**April 20 through May 1: all areas north of Stearns Road**

Do not make it comfortable around your home for a coyote by providing food and shelter. Always keep your cat indoors and your dog on a leash. Pick up your small dog if you see a coyote while walking. Never turn your back and run away; calmly walk away while facing the coyote.

If you do encounter an aggressive coyote, change direction as you could be near their den. Carry an air horn, whistle, walking stick, cane or other deterrent. Be big, loud and bold. Throw sticks or clumps of dirt at the ground by its feet. Aim for its body, if necessary, but never its head.

"There isn't one documented case of a coyote biting a human in DuPage County." Report aggressive behavior to IDNR, 847-608-3100. For more information, call Willowbrook Wildlife Center, 630-942-6200.

# ZONED FOR BUSINESS

## AutoZone Now Open!

Bartlett now has an auto parts store.

**AutoZone** is located at 905 S. Route 59 (former location of the Hallmark store) in the Stearns Crossing shopping center.

Friendly service, thousands of parts, free battery and check engine light testing, free headlight installation and more make this a business that aims to make and keep customers.

AutoZone hours are Monday through Saturday from 7:30 a.m. to 9 p.m. and Sunday from 9 a.m. to 8 p.m. Call 630-855-0100 for more information.

A new **Dunkin' Donuts** and a new **Subway** sandwich shop have also opened at the corner of County Farm and Stearns Road. The donut and sandwich shops are part of an addition to the BP gas station at 5590 County Farm Road.

## Building Permit? -- check

Get all the building permit information you need to start your next home improvement project at the Bartlett Park District's annual Earth Day celebration on Saturday, April 25 at Bartlett Nature Center in James "Pate" Philip State Park, 2054 W. Stearns Road. Bartlett Building Department staff will be there from noon to 4 p.m. to answer your building code questions and provide information about the Illinois Energy Conservation Codes. They can guide you through the details for proper permitting so that your home not only looks great when you are done with your project but can be safely enjoyed for many years. There also will be free CFL light bulbs, while supplies last.

Building permits are required because your home or business is an investment. If your construction project does not comply with Village codes, the value of your investment is reduced.

Property insurers may not cover work done without permits and inspections. If you decide to sell a home or building that has had modifications without a permit, you may be required to make costly repairs. Also, by following code guidelines, the completed project will meet minimum standards of safety and will be less likely to cause injury to you, your family, your friends or future owners.

If you are hiring an outside contractor for your next home project, please make sure whoever you hire is licensed and bonded to work in the Village. For a link to a list of licensed contractors, visit the Building Department page on the Village website, [www.village.bartlett.il.us](http://www.village.bartlett.il.us).

The Building Department will also be kicking off national Building Safety Month in May. This year's theme is "Resilient Communities Start with Building Codes," with a focus on a different topic each week: Week 1 - Don't Get Burned - Build to Code; Week 2 - Bounce Back Faster from Disaster - Build to Code; Week 3 - Water Safe, Water Smart - Build to Code; Week 4 - Save Energy - Build to Code. Residents can visit [www.buildingsafetymonth.org](http://www.buildingsafetymonth.org) for more information.

The Village of Bartlett chips brush (cut or broken branches) for residents from the beginning of April until the end of November, according to the schedule on the left. Brush pickup is one of the Village's most popular programs, from a resident participation standpoint, and following a few rules ensures speedy collection and safe working conditions for Public Works employees.

Branches should be stacked neatly at the curb, cut ends facing the street, by the Sunday evening before collection. Thorny bushes, logs and stumps must be stacked separately since they can cause injury to Village employees and equipment.

**\* Branch Length - minimum of 2 feet long, maximum of 8 feet long. Must be less than 6 inches in diameter.**

**\* Brush must never be piled higher than 4 feet; this obstructs visibility for pedestrians & vehicles.**

**\* Small sticks and evergreen clippings should be put into yard waste bags.**

There are no call backs if you miss your collection day. Brush should not be left in the parkway between collection dates. The brush removal program is for owners of single family homes performing work themselves, on their own property; private businesses and townhouse owners with associations that do their maintenance are not eligible for brush pickup. In addition, brush generated by tree services, landscape contractors or other services procured by the homeowner are not eligible for this program. The homeowner must arrange for removal of any contractor-generated brush at their own expense.

Brush piles that do not adhere to chipping requirements will be tagged, explaining why the brush was not removed and what steps to take to correct the problem.

Garden debris, such as grass clippings, weeds, leaves, soil, rocks, boxes and bags are not brush and will not be picked up by the Village. This type of garden waste must be placed in the specially marked Republic Services bags and placed alongside your household trash and recyclables for the weekly collection.

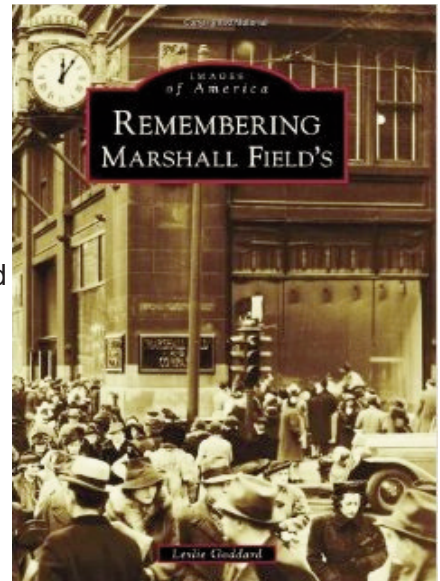

If you have any additional questions, please call Public Works at 630-837-0811.

# Remembering Marshall Field's

For more than 150 years, Marshall Field & Co. reigned as Chicago's leading department store. Experience this beloved retail institution once again through a lavishly illustrated talk by Leslie Goddard, who will trace the store's history from its beginnings as a dry goods store in 1852 into a world-class fashion and service trend-setter. Using photographs, ads, postcards, and memorabilia, Goddard will highlight the store's cherished traditions - the Walnut Room Christmas tree, the State Street store's legendary window displays and, of course, Frango Mints.

What did Bartlett's founders Luther and Sophia Bartlett have in common with Marshall Field? Come to this free program at the Bartlett History Museum in Village Hall, 228 S. Main Street, on Thursday, 4/30 and find out! Doors open at 6:30 p.m. for refreshments and the presentation begins at 7 p.m. Registration is required. Call 630-837-0800 or email [prohleder@vbartlett.org](mailto:prohleder@vbartlett.org) to reserve your seat. Do you have a favorite Marshall Field object or story? We will be sharing remembrances prior to the start of the program.

## From the Archives

Ray Winesburg was in business in Elgin for 13 years before he purchased the late William Bull's meat and grocery store, 116 Bartlett Avenue, in 1950. Bull, who died in 1949, built the store in 1924 and he and his family lived above it.

Winesburg hoped to give Bull's customers "the same courteous and efficient service" they had been receiving for many years. This plastic pencil holder promotional giveaway measures 3 inches tall by 2 1/4 inches wide and affixes to a wall.

After Winesburg's ownership, the building continued as Vendl Grocery & Market and then as the first location of the Bartlett Food Basket.

## Down at the Depot Signals, Symbols & Semaphores, Talking without Speaking

How do you communicate without speaking a word? Before walkie-talkies, telephones and WiFi, people involved with the railroad used their hands, flags, lanterns, semaphores, code and symbols to send and received messages without saying one word. Now you can too.

Come to the Bartlett Depot Museum, 100 W. Railroad Avenue and experience this new exhibit through hands-on activities and more.

The museum is open Tuesday and Thursday from noon to 5 p.m. and on the first and third Saturday of the month from 9 a.m. to noon. Admission is always free with free parking across the street in the municipal lot at Railroad and Oak Avenues.

On the first Saturday of each month, families are invited to the Depot Museum for a free kids craft. No registration is required but supplies are limited.

**On 4/4 - make artwork to learn about hobo symbols**

**On 5/2 - make a rockin' gift for mom**

## Passport to Adventure begins 5/1
