## Pride in Ownership

The Village of Bartlett is pleased to recognize the winners of the 2017 Pride In Ownership Awards.

This year 16 properties were nominated for the Pride in Ownership Award, all in the Single Family category. Shown here are photos of this year's three winners.

The Pride in Ownership program was started in Bartlett in 1996 to recognize owners who do an outstanding job in maintaining their property. The Village calls out for nominees at the beginning of the summer and volunteer judges visit all of the nominated properties, evaluating them on general appearance, landscaping, curb appeal and creativity.

So many Bartlett residents and business owners put a lot of time and care into their properties and it shows. The Village congratulates all of the nominated and winning property owners and thanks them for helping to keep Bartlett beautiful.

# Your Virtual Village Hall

GORequest, Bartlett's recently updated citizen request management system, makes it easier than ever to contact the Village with your question or concern. It provides you with a "Virtual City Hall" that you can access via a mobile app or through the Village website, 24-hours a day, 7-days a week.

When you open the GORequest app on your smartphone or other electronic device, you can choose to view information about most requested topics in the Knowledge Base; report a New Issue or Track Issues that you reported previously; subscribe to eNews on specific topics; quickly open the Village website's latest news page or community calendar; get a direct connection to Bartlett's Twitter and Facebook pages and more.

To request a service or report a concern using GORequest, simply open the app, select New Issue, take a picture if applicable, and tap submit – the phone records the GPS coordinates for an exact location and sends the request to the appropriate employee.

For example, have you ever been on a walk and noticed a streetlight out but then forgotten about it by the time you got home? You can use the Village's mobile request app on your phone to report the issue in real time. With it, you can capture the exact GPS coordinates of the streetlight and even take a photo and report it in just a matter of seconds.

Don't know who to contact? With GORequest you don't have to know which employee or department is responsible for a specific service – the system ensures that your request is delivered to the right person. Once a request is entered into the program, GORequest will: 1. Create a unique tracking number so you can easily track the status of a request. 2. Automatically notify you when the request has been completed. 3. Allow you to contact the Village whenever it's most convenient for you.

If you are visiting the Village website, [www.village.bartlett.il.us](http://www.village.bartlett.il.us), and want to access the GORequest system, just click on the "Contact Us" tab on the homepage or use the "How Do I..." navigation tab and look under "Report" in the drop down menu.

If you prefer to make a request by calling or coming to Village Hall during normal business hours (Monday through Friday, 8:30 a.m. to 4:30 p.m. and Saturday, 9 a.m. to noon), staff will enter it into the GORequest system.

The Village hopes that once you use the system, you'll see how intuitive and easy it is. The Village's primary goal is to provide everyone who lives, works and does business in Bartlett with the very best customer service and GORequest will help do that more quickly and efficiently.

The mobile app can be downloaded for free by searching for "GORequest" in the Apple App store or on Google Play.

## Did You Know?

...solicitor laws have changed in recent years, allowing solicitors to go door-to-door unless they approach a residence with a "No Solicitors Invited" sticker. You are encouraged to obtain a free "No Solicitors Invited" sticker at the Village Hall Main Office and place it near your front door. These stickers constitute sufficient notice to prohibit door-to-door solicitation activities.

Individuals associated with religious or political activities are not considered solicitors per the Village of Bartlett solicitor ordinance and United States Supreme Court. Residents may ask these individuals to leave their property and possibly have them cited or charged with criminal trespass to real property if they refuse to depart when requested to do so.

# Timeout with the Trustees

Developer Ridge BC2 representatives recently broke ground for a 186,000 square foot industrial/warehouse building in Brewster Creek Business Park. The building, with 35 exterior docks, two drive-in doors and two future drive-in doors along with office space, can house two future tenants.

Ridge BC2 is just one of the industrial developers adding to the robust growth happening at Brewster Creek Business Park this year.

Currently, Exeter is completing its 421,000 square foot facility constructed by Meridian

Design Build. The building is nearly 10 acres under roof and Exeter hopes to lease it to one end user, but is willing to divide the building in half.

Another project is G4 Development's (a subsidiary of Greco & Sons) 167,000 square foot building on Brewster Creek Boulevard. Also, Camcraft has recently broken ground for its new 101,000 square foot facility on an 8.8 acre site. Camcraft will be occupying the building with affiliated business Matrix.

With nearly one million square feet of new construction at the park this year, Brewster Creek Business Park continues to lead the way for economic development in the Village. It is currently home to 90 businesses in 39 buildings and includes an emerging food cluster, high-precision manufacturing firms and several auto supply chain companies, such as Camcraft.

This Village Board has taken action to speed the development process and continues to encourage commercial and industrial investment in the Village.

**Sycamore Trails Elementary School** in Bartlett won the 2017 Summer Reading Challenge for producing the most devoted readers. Last year, Sycamore Trails demonstrated the most improved participation; that designation went to Elgin's Otter Creek Elementary this year.

School District U-46 and the four public libraries, in Bartlett, Carol Stream, Elgin and Streamwood, lead the challenge each year to inspire reading during summer vacation and avoid the dreaded "summer slide," when students can lose up to two months in academic gains made during the school year. The winning schools receive certificates, trophies and a special prize.

More than 50 students from **Eastview Middle School's Service Over Self Club** came to the Bartlett Police Station a few weeks ago to donate blankets they made for Ronald McDonald House. They donated 20 blankets!

## Winning Flower Pots

Twenty decorated pots were entered in the Bartlett Heritage Days "Decorate a Flower Pot" contest, sponsored by Arts in Bartlett. Three judges selected five winners for creativity, theme and heritage. Criteria for selecting the winners included artistic impression, originality, quality and aesthetic appeal.

The winners are Rosanne Derango for "Bartlett Heritage," youth Lindsay DeBuhr and adult Dale Anne Kasuba for "Best Theme," and youth Chloe Hernandez and adult Michelle Lusader for "Most Creative."

All the entered flower pots were donated and are on display at the Arts in Bartlett Center, 215 S. Main Street until December, when they will be auctioned off with proceeds benefiting the organization's youth scholarship and Budding Talent Grant. The winners for each category receive a ribbon, certificate and free 1-year membership to Arts in Bartlett. For more information, go to [www.artsinbartlett.org](http://www.artsinbartlett.org).

## Rotating Exhibits

In addition to the flower pots, "All Creatures Great & Small" is the three-month exhibit now showing in the Arts in Bartlett Center gallery. The animal-focused exhibit features the work of local artists, such as the oil painting "It's a Jungle Out There" by Barbara Lipkin, shown on the left. This exhibit closes October 31.

"Timbre: The Color of Sound" will open in November and be available for viewing through January 2018. The exhibit will feature various artistic interpretations of "timbre," the character or quality of a musical sound or voice as distinct from its pitch and intensity.

The Arts in Bartlett Center gallery is open Tuesday, Thursday and Saturday from 10 a.m. to 5 p.m. and Friday, noon to 6 p.m.

## Bartlett Village Hall Exhibits

Arts in Bartlett also sponsors a new exhibit each month at the Bartlett Village Hall 2nd Floor Gallery, 228 Main Street. The gallery is open to the public during regular Village Hall business hours, Monday through Friday, 8:30 a.m. to 4:30 p.m. and Saturday from 9 a.m. to noon.

An artist reception for each new exhibit is usually held on the third Tuesday of the month from 6 to 7 p.m., prior to the Village of Bartlett Board meeting. The exhibits and receptions are free and open to the public. For more information go to [www.artsinbartlett.org](http://www.artsinbartlett.org), visit Facebook, email [art@artsinbartlett.org](mailto:art@artsinbartlett.org) or call 630-372-4152.

# Halloween Trick-or-Treat

Bartlett has set Halloween trick-or-treat hours for 3 to 7 p.m. on Tuesday, 10/31. Please remember to turn on your porch light if you will be passing out Halloween candy.

The Bartlett Police Department encourages parents to accompany children or have them go out with a large group of friends and to stay in their immediate neighborhoods. It also is a good idea for children to carry glow sticks or flashlights when trick-or-treating during the evening hours and only go to homes where the porch light is on.

Trick-or-treaters should always walk on the sidewalk. If there are no sidewalks, walk on the left side of the road, facing traffic. Motorists are reminded to drive carefully and watch out for children crossing the roadways.

Costumes are a fun part of this holiday but only if worn safely. Costumes should be simple, flame resistant and, if possible, light-colored. Reflective tape can be added for extra visibility. Plan to use non-allergenic makeup instead of masks, and keep wigs and hats well off the face. Finally, children are reminded to bring their Halloween candy home and to have an adult examine all treats before eating.

# Daylight Saving Time Ends

Daylight Saving Time officially ends at 2 a.m. on Sunday, 11/5. Please remember to set your clocks back one hour before going to bed on Saturday night.

This is also a good opportunity to test smoke detectors and carbon monoxide detectors and a reminder to replace batteries every six months. Remind every family member what to do if the alarms sound.

# Pumpkin Smash!

**Saturday, 11/4, 9 a.m. to noon**

**Bartlett Public Works Parking Lot, 1150 Bittersweet Drive**

This year's "Pumpkin Smash" with SCARCE, a nonprofit organization committed to keeping "stuff" out of the landfill by reusing or recycling, will be the Village of Bartlett's second annual pumpkin composting event.

SCARCE first brought this event to DuPage County in 2014 and has since diverted more than 93 tons of pumpkins from landfills. Residents can bring their pumpkins and jack-o-lanterns for composting to return nutrients back to the soil and lower methane gas production in landfills. Regular or decorated pumpkins are allowed, but please remove yarn, stickers or any plastic items before composting. Please visit [www.scarce.org/pumpkins/](http://www.scarce.org/pumpkins/) for more information or call the Village at 630-837-0800.

# Free Leaf Collection

For the health and safety of Bartlett residents, leaf burning has been banned in the Village since 1991. To help with the bounty of leaves each autumn, the Village's contract with Republic Services provides for leaf collection at no additional cost to

residents during October and November.

Leaves should be placed in brown paper yard bags at the curb each Tuesday alongside other household refuse and recyclables. DO NOT put leaves in plastic bags; these will not be collected. You do not need to buy Republic Services yard waste

bags for leaves. Generic yard waste bags are accepted. However, all other yard waste, such as grass clippings, pulled weeds, etc., must still be placed in Republic Services yard bags for collection.

Branches may be placed at the curb according to Public Work's brush collection guidelines for pickup through November 6 for Area A and November 13 for Area B (see schedule [www.village.bartlett.il.us/residents/utilities-resident-services/brush-pick-up](http://www.village.bartlett.il.us/residents/utilities-resident-services/brush-pick-up)).

Village ordinance prohibits any person from depositing, raking, shoveling, plowing, blowing or dumping any leaves, grass clippings, branches, snow, onto any public parkway, gutter or street. Excess leaves and lawn clippings can obstruct sewers and cause flooding. Large piles of leaves also can freeze once temperatures drop and become roadway hazards.

# Seasonal Code Enforcement Reminders

\* All RVs, boats, & trailers must be removed from driveways by November 1 and cannot be returned to driveways until May 1.

\* Snowmobiles & trailers are allowed on driveways starting November 15 until April 15.

\* Basketball poles/hoops are not allowed on any public streets, islands, curbs, parkways or sidewalks so they do not become a hazard for snowplows.

\* Holiday lighting and displays are permitted on private property for a period NOT TO EXCEED 90 days.

## Take One Minute of Time, Give One Good Idea

Please take one minute of your time to share at least one idea that you feel is important for the Village in terms of resident services, economic development and quality of life. Help the Village continue to be a community everyone is proud to call home. Send to: Administration Department, Village of Bartlett, 228 S. Main Street, Bartlett, IL 60103 or email [feedback@vbartlett.org](mailto:feedback@vbartlett.org). Use "One Good Idea" as the subject.
